The News.

The most important item of news this morning is the report of an improvement in the Eastern breadstuff markets. We hope that it will not be short lived.

The Bolters convention in this city, on Saturday, was anything but a harmonious gathering. So boisterous were the attendants that the meeting had to be adjourned without taking any action whatever. There is a strong feeling in favor of getting up a People's Ticket, and for this purpose, it will be seen, measures have already been taken. All, irrespective of party, who are opposed to the system of corruption and bribery which characterized the action of the late Convention, called Democratic, are invited to participate in the movement.

The yellow fever shows little signs of abatement in New Orleans.

The steam tug Sea King was destroyed by fire at her wharf at New York Friday night. Loss $35,000.

A number of interesting items will be found under the telegraph head.

The weather on Saturday was cool and pleasant, and gave indications of a continuance of the same.

Republican County Convention.

This body met at the Court House, on Saturday last. Although called at short notice, it was fully and most respectably attended. The Delegates did not come up with their hats chalked, and the candidates' money in their pockets, but assembled together, unpledged to *any* man, and only desirous of securing fit and trustworthy agents for the public service. After full and free consultation, it was unanimously decided to adjourn till Wednesday next, at 2 P. M., and to invite all Independant Democrats, opposed to the Court House ticket and in favor of Reform in the County Offices and affairs, to unite with them at that time in getting up other and better nominations. See proceedings elsewhere.

The Bolter's Mass Meeting.

That portion of the Democracy, who are dissatisfied with the ticket nominated at the Court House, last Wednesday, met in mass convention to the number of seven or eight hundred, in Albany Hall, Saturday afternoon. S. B. GRANT was called to the chair and the usual complement of Vice Presidents and Secretaries appointed. The meeting was addressed, at different times and on various topics, by Mr. KIRBY, Col. WHITE, E. M. GARRY, W. WEDEMEYER, and others; the Hall being in a perfect uproar, most of the time. Sundry motions were put by the chair, and the voting thereon was decidedly "mixed." As far as we could make out, a majority of the meeting was in favor of repudiating BADE and DOLAN, for Sheriff and Treasurer, and substituting S. S. MERRILL and GARRET BARRY. And so the chair decided. The minority, however, were greatly dissatisfied and threaten still another bolt. The "noise and confusion" in the Hall, throughout the meeting, were disgraceful. It was just as much "packed" as the Court House Convention.

Post the Books.

The October elections for Members of Congress in six of the States of the Union have resulted as follows, compared with two years ago:

	Oct. 1856.		Oct. 1858.	
	Buch.	Opp.	Buch.	Opp.
Pennsylvania	15	10	4	21
Ohio	9	12	5	16
Indiana	6	5	3	8
South Carolina	6	—	6	—
Florida	1	—	1	—
Iowa	—	2	—	2
Total	37	29	19	47
Buchanan maj.		8	Opp. maj.	27

This blow, well followed up in November, secures an Opposition House. New York, New Jersey, Massachusetts, Michigan, Illinois, Wisconsin and Delaware vote next month.

The Republicans will *gain* in New York and New Jersey, and hold their own, we hope, in the other States. Let us in WISCONSIN see to it, that our Republican phalanx remains unbroken.

PENNSYLVANIA.—The Harrisburg *Union*, of the 20th, has the Official Returns on the State Ticket from all but nine small Counties of Pennsylvania. The aggregates are:

Judge—John M. Read, 184,250, Wm. A. Porter, 158,883—Read ahead, 25,883.

Canal Commissioner—Wm. E. Frazee, 183,167, Westby Frost, 157,357, Frazee ahead, 25,848.

The *Union* estimates that the nine remaining Counties will give 28,000 votes, of which Reed and Frazer will have 1,000 majority. The vote is a little heavier than that for Governor last year. The Opposition majority on Congress is not far from 40,000.

OHIO ELECTION.—Owing to a clerical error, Allen, Lecompton candidate for Congress in the Fourth District, was supposed to be elected; but an examination of the returns shows that in one township, ninety votes were cast for William Ellis. These were counted for Allen; but a correction of the poll elects Nichols, his Republican competitor, by a few votes. Ellis was a stump candidate not generally supported out of his own township.

A CONGRESSMAN IN DOUBT.—As a sort of offset to the unexpected gain of NICHOLS, in Ohio, Mr. PETTIT, the Republican Congressman in the 11th district, Indiana, is in danger. The Cincinnati *Gazette* says that the opposition votes of Huntingdon county in his district, are returned as being cast for *Purviance* instead of Pettit, the Republican candidate. There is little room for doubt that this was an error of the clerk, as the entire Opposition vote of a whole county was not likely to be deliberately thrown away. Unless this is corrected, Mr. Pettit will not receive his certificate. If by any blunder the Republican tickets for the county had the name of Mr. Purviance on them, instead of Mr. Pettit's, the latter is of course defeated, past remedy.

MESSAGE OF THE GOVERNOR OF VERMONT.—Gov. HALL, of Vermont, writes a short and explicit message to the State Legislature, setting forth the prosperous condition of the State and the fact that the debt is very small. The following extract, from the part of the message which relates to Slavery, is to the point:

> "There is reason to hope that the extra-judicial opinions of the majority of the judges in the Dred Scott case, contrary as they are to the plain language of the Constitution, to the facts of history and to the dictates of common humanity, will meet the fate which has attended those of the judges in the parent country, and that liberty will be eventually established in spite of them."

For the Sentinel.

Border Ruffianism in Washington County.

MR. EDITOR:—The aiders and abettors of the murderers of DEBARR, and the friends of Judge LARRABEE, made another exhibition of the spirit that animates them, on Saturday evening last, at Schleisingerville. There was a Republican meeting appointed at that place, at which BILLINGHURST and a German Republican friend from Oshkosh was to speak. The German addressed the crowd for some twenty or thirty minutes, when he happened to mention LARRABEE's name, which, it now appears, was to be the signal for a general uproar. Finding it impossible to go on with his speech, he left the stand, amid the hissing, hootings and yells of the crowd. For a short time a general fight seemed inevitable, but Mr. BILLINGHURST advised his friends to withdraw quietly from the meeting and leave the mobocrats in possession of the hall.

I do not know that Judge LARRABEE would sanction this proceeding, or that the money of a certain ex-Senator, paid for the three quarter barrels of beer that were tapped and drank amid boisterous vulgarity, after the breaking up of the meeting; but it was a simple exhibition of the *animus* of a party that flouts its dirty banner in the face of an indignant people, by appointing defeated and rejected GLANCY JONES to a foreign mission—a party that rewarded with office such infamous and notorious Pro-Slavery ruffians as WHITFIELD, the bogus delegate from Kansas; as CLARK, the cut-throat villain who murdered BARBER, in cold blood; as EMORY, who led the pro-Slavery band that ravaged Leavenworth, and killed WM. PHILLIPS in his own house, and as "Sheriff" JONES, the deepest dyed devil of them all! If any body wants to make an argument in favor of the "total depravity" of man and his demoralization in these latter days, let him rehearse the acts of the so-called Democratic party for the last six years, and the thing will be complete.

No demonstration in Euclid could be more convincing or satisfactory. This affair ought to gladden the hearts of the Larrabeeites throughout the Third Congressional district, and the praise of these drunken bullies ought to be in all the democratic churches, for, have they not mobbed free speech and stopped the mouths of "freedom shriekers," thus rendering efficient and valuable aid to the party that owns and pays for them regularly at every election? Did not Bully BROOKS beat Senator SUMNER for exercising his freedom of speech? And what right has BILLINGHURST to speak where the shoulder-hitting spawn of democratic grog-shops have the power to prevent, or intimidate him? Aye, what right has *any man* that the negro-breeding party are "bound to respect," if he cannot show the cancerous seal of approval, fixed upon his brow by the leprous hand of the border-ruffian democracy! Never was a party better represented by its blind and ignorant votaries than is the democracy of Washington County. The cowardly assassins that dragged the lifeless body of DEBARR through the streets of West Bend, by a rope attached to his neck, still go unpunished, and unhung; the man who stabbed a brother German, for hurrahing for FREMONT in 1856, in the Eastern part of the county, pays for the luxury of killing by a few months at Waupun.

These are thy trophies, Oh patent Democracy! And if you ask why these things are so, I answer, these men invariably vote an unscratched Democratic ticket, and we have Judges and Congressmen to elect, and there is always *somebody* who wants their votes. They represent the spirit of border ruffian Democracy here just as Sheriff JONES, DAVE ATCHISON and CLARKE stand as the exponents of the same thing on the Border! And as the lump of Pennsylvania dough that has temporary possession of the Presidential chair, has rewarded these miscreants in Kansas with office, he ought not to pass by the faithful in Wisconsin.

But this infamous affair has had the effect to disgust the sober and more intelligent portion of the German population; and they declare they will not excuse their countrymen in such proceedings, nor vote for men who know better, but are secretly urging on and applauding such conduct. The day of redemption draws nigh, and when you publish the returns from Washington County, you will see that the "man with big whiskers" has a less majority than had HOBART, and the enquiry will come up from the banks of the Horicon Lake like

"——The bubbling cry,
Of some strong swimmer in his agony!"

The burden of which will be, "WHERE'S THE DUTCH?"

A WASHINGTON COUNTY REPUBLICAN.
Hartford, Oct. 24, 1858.

SHIPWRECK AND LOSS OF LIFE.—A correspondent of the Goderich (C. W.) *Signal* gives an account of the loss of the schooner Wave, with the owner and master, Capt. Thomas Warwick, and one sailor. The vessel arrived at Inver, Huron Bay, early on the 7th inst., with her mainsail in ribbons. Notwithstanding the severity of the gale, she rode out beautifully till about 2 o'clock in the afternoon, when, the wind veering, she swung to the south, coming within the influence of the breakers on the north end of the center shoal. About 3 o'clock she began to settle to the leeward, when a large wave swamped her; as soon as this passed, both men were seen clinging to the rigging. The second sea swept the young lad off—the Captain was clinging to the rigging when she disappeared, which was less than two minutes. The hull was dragged ashore during the night, with the spars carried away by the deck, and some of the plank from the starboard side, otherwise the hull is not very materially injured, and a few bags of flour and wheat have come ashore. Capt. Warwick was a native of the Orkney Islands—He leaves no relatives in this country. The boy was the oldest son of Murdoch M'Kever, of Goderich.

DANGEROUS ILLNESS OF REV. THEODORE PARKER.—The intelligence of the illness of Theodore Parker will be received with sorrow throughout the country. He has occupied so large a space in the public eye for so many years and maintained it with such vigor, that nobody ever seemed to anticipate that he would yield to anything. For several weeks he has been sick in bed, and for a much longer time has suffered from a lingering and increasing indisposition.—Last Sunday his pulpit was occupied by Rev. Mr. Higginson, of Worcester, and the next it will be filled by Rev. Mr. Johnson, of Lynn. In addition to his weekly sermons he has devised and commenced a course of lectures, written multitudes of review and magazine articles, and done as much miscellaneous work as half a dozen ordinary men. Great apprehensions are felt for his recovery, especially as he has lost several brothers and sisters by consumption, at about his time of life. His peculiar sphere of activity could never be filled again.

SINGULAR INCIDENT.—Five weeks ago this day the freight train upon the Vermont and Massachusetts Railroad brought to two young men in a town in this county, who were partners in a flourishing business and brothers-in-law, two elegantly wrought iron fences, which they ordered from Boston, to be placed about their lots in the village graveyard. On the gate of each fence were raised letters giving the name of the owner. The next day they superintended their erection and returned to their homes, which they did not again leave until their lifeless bodies were borne by their neighbors to be deposited in their last earthly resting place.—*Greenfield, Mass., Gazette.*

ANOTHER HEAD.—The axe seems to be doing considerable work on the sly, these times. A correspondent at Sandwich, DeKalb County, informs us that the Postmaster at that place, Robert Patten, Esq., (Douglas man,) woke up one fine morning this week, without his head. The new appointee is G. B. Hollenbeck, (National Democrat.)

We observe that the Chicago *Times* was *so much* delighted with the late Washington dispatch, announcing the end of fourteen Postmasters at one clip, that it did not publish it at all. Why not have the full benefit of the "sympathy" which these ghastly events are creating.—*Chicago Press & Tribune.*

Shipments from Milwaukee.

By reference to our Commercial tables it will be observed that the shipments of wheat, from this port, for the past week, amount to 107,475 bushels, including flour, and for the season thus far 4,735,894 bushels. By comparison with the shipments to the same date last year, we have following statement:

Year.	Wheat.	Flour.
1857	2,053,831	165,566
1858	3,569,004	233,278
Increase	1,515,173	67,712

Which shows an aggregate increase of 1,853,738 bushels of wheat in favor of this season. If we add to the total of wheat the amount of other grain shipped for the same period, it will be seen that the total shipment of grain from Milwaukee thus far this season is 5,424,230 bushels.

Chamber of Commerce.

On Saturday evening the new Chamber of Commerce held an adjourned meeting, at the office of D. P. HULL & Co., for the purpose of transacting unfinished business. The President, L. J. HIGBY, called the meeting to order, L. L CROUNSE acting as Secretary. The Committee appointed to deliberate upon the subject of appointing Grain Inspector reported, recommending that two Inspectors be appointed, and that the various grades of wheat decided upon at a former meeting, be taken as the standard by which the Inspector, or Inspectors might be guided.

After discussing the matter at considerable length, the meeting arrived at the unanimous conclusion that but one Inspector should be regularly appointed by the Chamber of Commerce, and if he shall need help it will be for him to choose his own assistant or assistants. The meeting then decided upon the compensation that the Inspector is to receive, which is according to the amount of grain inspected, and proceeded to an election for that officer.

On the first formal ballot CARLTON HOLLAND received 27 out of some 35 votes cast, and was therefore declared elected. We congratulate Mr. HOLLAND upon his luck, and the grain dealers of our city in securing the services of a gentleman so well qualified to fill the office.

HORATIO HILL offered a resolution to the effect, that whenever parties disagree as to the quality of wheat, the matter be referred to the Grain Inspector for decision, which was unanimously adopted.

The Committee appointed to confer with Mr. BOOTH in relation to the proposition made by that gentleman to accommodate the Chamber of Commerce in the large room in the basement of the *Free Democrat* Building, furnish papers, telegraph reports, &c., for $4,50 semi-annually, for each member, reported in favor of accepting the offer. After some enquiry, the recommendation of the Committee was unanimously adopted. The room is an elegant one; lofty, well lighted, 32 feet wide by upwards of 150 feet long, and located in a central position.

Mr. BOOTH agrees to fit it up in good style, and have it ready for business in about two weeks; in the mean time the business of the Chamber of Commerce will be transacted in the office of Messrs. D. P. HULL & Co., where the first regular meeting of that association will be held *to day* at 12 o'clock, and every day hereafter, meetings will be held at the same hour.

We are pleased to notice that at every meeting the names of new members are added to the list and the most lively interest is manifested in the success of the association. Already its members include the majority of our most prominent business men.

U. S. REVENUE CUTTER IN PORT.—The U. S. Revenue Cutter *A. V. Brown*, came in port Saturday morning. She is officered by Commander HENRY A. MITCHELL, Lieutenant JNO. A. WOODWARD, Boatswain WM. DINGMAN, and she has a crew of nine men. She is to remain stationed here, to enforce the Revenue laws.

Republican County Convention.

The Delegates from the several Towns and Wards of Milwaukee County met in Convention on Saturday, at 12 o'clock, and organized by appointing Mr. L. BURDICK, of Lake, as chairman, and WINFIELD SMITH, of the Fourth Ward, as Secretary.

The credentials of the Delegates having been presented and the list made out, a Committee of one from each Town and Ward was appointed to report resolutions for the consideration of the Convention.

During the absence of the Committee, the Convention was addressed by JOHN H. TWEEDY, S. M. BOOTH and RUFUS KING.

Col. CROCKER, from the Committee, reported the following Preamble and Resolutions:

Whereas, The conduct and proceedings of the late County Convention (called Democratic,) were most notoriously and shamefully corrupt and profligate on the part of many of the aspirants and many of the delegates; And,

Whereas, By the terms of the call, got up by the aspirants defeated at the regular caucuses for the Mass Convention, to be held at Albany Hall, this afternoon all citizens, but straight Democrats, are pointedly excluded, And,

Whereas, The County Officers should be the impartial servants of the whole people, and the emoluments and patronage of their offices should not be the plunder of any press, of any party, clique or faction;

Resolved, That as good citizens our object and desire should be to promote the election of honest and capable men for all offices merely ministerial, without regard to party, and for that purpose this Convention do adjourn and do invite all honest and independent Democrats of the county, sympathizing with these views and in favor of reform in our county affairs, to elect three delegates from each Ward and town, to meet us in joint or separate Convention, as may then be deemed expedient, at Armory Hall, on Wednesday next, at 2 o'clock P. M., to consider the expediency of recommending suitable candidates for the county officers.

Resolved, That every principle of right and true policy, as well as decent self-respect, forbids any Republican having any participation in or fellowship with Conventions or Caucuses called for Democrats exclusively; and also giving their vote or support in any manner, to any candidate running as the representative of such Caucuses or Conventions exclusively.

Resolved, That the Republicans of the Wards and Towns not represented in this Convention be requested to elect three Delegates to attend the adjourned Convention, to be held on Wednesday next.

After a brief discussion, these resolution were *unanimously* adopted.

On motion of Dr. MUNK, a Committee of five was appointed by the committee on a plan of action, to make arrangements for the next meeting. The committee is as follows: E. MUNK, E. LUFT, J. R. BRIGHAM, WINFIELD SMITH, B. DOMSCHKE.

The Convention then adjourned till 2 P. M. on Wednesday next.

NEW STEAMER.—The new steamer *Gazelle*, for the Detroit & Milwaukee Railway line, of which we have frequently spoken, arrived here on Saturday, and departed on her first trip to Grand Haven the same evening.

She is beautifully finished, and is acknowledged to be the most substantial craft on the Lakes. The *Gazelle* will make sure trips in all kinds of weather, and passengers by this route may be assured of the most comfortable quarters on board.

HYATT HOUSE, JANESVILLE.—This well-known and popular Hotel has passed into the hands of JOHN FLOYD, recently of the Briggs House, Chicago, and GEO. P. FLOYD, late of the Quincy House, Quincy, Ill. Mr. OSTRANDER, late of the Walker House, in this city, is the principal clerk. Under their joint auspices, the Hyatt House is admirably managed and offers to the wayfarers a most comfortable home.

☞ We refer our readers to advertisement of L. H. SIMPSON, in another column. He is owner of the *Fox Line of Packets*, the only line carrying passengers and going direct to Frazer River and San Francisco without stopping at any ports on the route—thus avoiding the danger of fevers prevalant at this season. We can safely recommend our readers in selecting the Fox Line, should they purpose visiting Frazer River or San Francisco.

LECTURES ON THE MEMORY.—Prof. J. O. ARMES' lectures upon the memory are attracting a great deal of attention. The Professor's system is very simple, and by a knowledge of it persons are enabled to remember figures, dates, &c., with the greatest ease. He lecturers this evening at the Baptist Church.

☞ We refer our readers to the advertisement of the Novelty Sewing Machine Company. The Sewing Machine offered at this unprecedented low price, is one of the neatest, most simple, and excellent of the kind ever invented, and does its work completely.

FOURTH WARD—REPUBLICANS ATTEND!—The Republican electors of the Fourth Ward are notified to meet at the Menomonee Hotel, *this* Monday, evening at 7 o'clock, to nominate a candidate for the Assembly.

☞ The sale of Furniture which was to have been sold Saturday morning by C. WALL, at his Auction Room, will take place this morning.

NEW ORLEANS, Oct. 22.

The deaths yesterday from fever were 41.

Fair Ground Amusement.

We have had telegraphic note of the late human slaughter on the Fair Grounds at Nashville, Tenn., but the *Gazette* of that city gives some particulars, although it will be a wonder to our readers that such a fight could have occurred, and so little be known as to its details. The *Gazette* says:

From what we learn, the cause of the difficulty was occasioned by a family feud of long standing. For years the parties have been at war, and the hatred of one toward the other has continued to increase from the time it commenced.

The particulars beginning yesterday, are stated thus: Early in the morning Sam Cowan saw James Owen, in company with his wife, approaching in the direction at which he was located. When they met, Cowan spit in Owen's face. Owen then remarked that it was the wrong time to settle the difficulty, but he would see him at another time, and immediately seated his wife, told his brothers and friends of what had passed, and afterward prepared to make an attack. At about eleven o'clock the large crowd in attendance were suddenly startled by the report of a pistol, the clashing of sticks and a noise and confusion generally.

How it commenced, no one is able to tell, but it occurred on the outside promenade of the amphitheatre, where hundreds of people were congregated. It was soon discovered that some ten, fifteen or twenty were engaged in the melee, some of whom, however, were endeavoring to suppress it. On one side, Sandy, James and John Owen, and W. A. Davis, were noticed, and on the other side Sam and Geo. W. Cowan, Joel, A. Battle and his son. Pistols were fired, sticks were used freely, and it appeared, says our informant, that men were being knocked down on all sides. Owing to the crowd and the intense excitement, it is difficult to tell by whose hands the victims fell. Sam Cowan had a Colt's repeater, and on examination it was found that every barrel had been discharged. Several others had fire-arms, but to what extent they were used we cannot say.

By this horrible affair Sandy Owen was killed, Sam Cowan mortally wounded, John Owen shot in the side and thigh, the wounds supposed to be mortal, Joel A. Battle's skull badly fractured, Thomas Battle shot in the wrist, James Owen, W. A. Davis and others slightly hurt.

Gen. Battle, we understand, endeavored at first to create peace, but being used pretty roughly, he commenced upon his antagonists in dead earnest. He is an uncle of the Cowans.

Mr. Battle, who was shot in the wrist, was not a party to the affair, but received his wound accidentally.

Mr. Sandy Owen was shot through the heart, and died instantly. Sam Cowan received his injuries by being beat with sticks. His skull is badly fractured and his head terribly mutilated.

Pike's Peak.

Latest Arrivals from the Mines—Fine Specimens of Gold.

From the Leavenworth *Journal* of the 15th, we learn that Mr. Philip Peers, a gentleman who has been in the Rocky Mountains for the last four years, has just arrived in that city, direct from the Pike's Peak mines, bringing with him fine specimens of gold obtained in the diggings. Mr. Peers corroborates the statements we have heretofore published, and brings with him incontestible evidence of the existence of the "precious metal" in that region.

The richest "diggings" yet discovered are on the South Platte, about three miles above Cherry Creek. The surface of the country at this point is rolling prairie.

The miners informed Mr. Peers that they were making from three to four dollars per day. They were not, however, devoting much attention to mining, but were preparing for winter. It was the intention of a portion of them to retire into the valley, some sixty miles below the mines, and remain there till spring. They were generally very well provided.

Snow had fallen on the mountains before Mr. Peers left.

The miners are sanguine that the mines will *pay*. It is believed that they are as rich as the California mines.

The gold in the possession of our informant is very fine—*twenty-two carats*, we should think, and his experience in the California mines, and familiarity with the production, justifies the conclusion.

Quite a large number of emigrants were met on the way, destined for the gold region. Mr. Peers thinks it is too late in the season to venture there, but expresses entire confidence in the mines.—*St. Louis Democrat, Oct. 21.*

Prize Fight.

The prize fight between the two celebrated pugilists Barney Aaron and Scotty, of Brooklyn, for the championship of light weights in America, and a wager of $500 a side, took place at Abino, Canada, yesterday, and resulted in favor of Scotty, after a short but "merry mill" of seven rounds. The fight lasted only thirteen minutes. Barney was seconded by Con. Fitzgerald and Johnny Mackey, and Scotty by Johnny Roach and Burns. The first blood was drawn by Barney. Barney, however, was thrown in every clinch. In the seventh round complaint was made of foul play by the seconds of Scotty, and the complaint was sustained by the referees. There was a large number of the "fancy" on the ground, but no disturbance, we heard of, occurred.

☞ In Buffalo, Mrs. E. Z. C. Judson (the gifted and beautiful wife of the notorious Ned Buntline) was found lying dangerously ill in a miserable hovel, utterly *destitute* and *alone*. She is a writer of great ability, and a woman of marvelous loveliness.

SALE OF ELEGANT FURNITURE.—I am authorized by James B. Martin, Esq., one of our old settlers and citizens, to sell at public auction all his furniture in the house he now occupies, corner of Mason and Jackson Sts., 7th Ward. The cause of this sale is, Mr. Martin is about to remove to his marble mansion, corner of Cass and Division Streets, and the furniture and carpets in the present house will not fit the rooms in the new one. It is useless for me to say anything about the quality of the furniture, probably there is none equal to it in the city. There will be probably from three to four hundred yards of carpet of superior quality, Sofas, Bureaus, Mirrors, Bedsteads, Stoves, Dining Tables, Dining Chairs, and a hundred other articles which it is useless to enumerate. The sale will take place at the dwelling house, corner of Jackson and Mason Streets, on Wednesday, Oct. 27th, at 10 o'clock. House will be opened at 9 o'clock on the morning of the sale, and all can come and examine.—Ladies will please attend.

ONE WEEK TO ELECTION!

Republicans are you Ready?

To-morrow week the election for Members of Congress, Legislature and County Officers, comes off in this State. The canvass, for the past few weeks, has been quite an animated one, and there is good prospect that the vote will be a full one. It is fair to assume that an intelligent constituency like the people of this State, understand the issues about to be submitted to them and are prepared to give their verdict. So far, at least, as the readers of the *Sentinel* are concerned, we feel confident that each and all of them, appreciate the magnitude of the interests at stake in the pending canvass and are ready *to do their duty.*

We hold it to be the duty of every good and legal citizen to exercise his right of suffrage whenever the period of election arrives. He is no true son of the State, and but an indifferent citizen of the Republic, who hold himself aloof, at these times, and refuses or neglects to take part in the decisions of the BALLOT-BOX. We trust therefore, that no reader of the *Sentinel* will fail of appearance at the polls, on the 2d day of November. We would have *every qualified elector* in the State vote on that day.

In our judgment, the *main* question which is to be submitted to the People of Wisconsin, on the first Tuesday in November, is simply this: Do they approve, or condemn the Administration of JAMES BUCHANAN? This is the question which the People of Maine, of Vermont, of Connecticut, of Iowa, of Ohio, of Indiana and of Pennsylvania, have just respectively passed upon; and this is the question which, on the 2nd proximo, the People of New York, New Jersey, Massachusetts, Michigan, Illinois and WISCONSIN, are also called upon to decide. The Administration, in the person of its champions, BERIAH BROWN, CHARLES DUNN, and CHAS. H. LARRABEE, is on trial before the grand inquest of the People of Wisconsin. This Administration, the People of Wisconsin condemned in advance, two years ago, by 13,000 majority.—What has it done since, that this judgment should be reversed? What claim has it upon the suffrages of our Free Electors? With what face can it appeal to Wisconsin for help, in its hour of need? What interest of Wisconsin has it sought to promote? What right of the Free North has it maintained? What opinion of Wisconsin has it respected?

Not one! Mr. BUCHANAN "knows no West," and the West will be false to principle, recreant to duty and utterly wanting in self-respect, if it fails to rebuke him and his administration by a vote as emphatic as that just cast in his own native State of PENNSYLVANIA. At least, let WISCONSIN DO ITS WHOLE DUTY! REPUBLICANS! ONE AND ALL TO YOUR POSTS AND TO WORK!

Why the "News" Clique "Bolt."

The *News* and those of its clique who sympathise in its "bolt" of a portion of the County ticket, justify this treason to party usages on the ground that Messrs. BADE and DOLAN have heretofore bolted "regular nominations" and are not "good Democrats." Now, this excuse for bolting *them,* applies just as strongly to BERIAH BROWN, the Democratic candidate for Congress, and to every other man on the Democratic County ticket. There is not one of them, we venture to say, who has not at some time bolted portions of the regularly nominated Democratic ticket.—The *News,* therefore, if its alleged reason for opposing Messrs. BADE and DOLAN were sincere, should, in simple justice, bolt the entire ticket.

But the private reasons of the *News,* for "bolting" BADE and DOLAN, are very different from its public ones. BADE and DOLAN, although unquestioned and *working* Democrats, have always belonged to the *anti*-Baretow wing of the Democracy. This is the whole secret of the *News'* opposition. Of course the anti-Baretow unit stand by quietly and see their friends "knifed," while such a prominent Baretow man as BERIAH BROWN heads the ticket, and offers a conspicuous mark for effective retaliation.

A SWIFT WITNESS.—Some anonymous correspondent of the *News,* writing from Ozaukee, undertakes to contradict a statement in the *Sentinel,* about the discussion between BILLINGHURST and LARRABEE there; and proceeds to "set up" the Judge, in this wise:

> Why, Judge Larrabee is as far above Billinghurst, in point of intellect and oratory, as Billinghurst is above the greatest block-head that stalks the earth.

This absurd and fulsome praise prevades all the letters written about Judge LARRABEE'S "progress" through the Third District. The whole efforts of these Democratic penny-a-liners seems to be to exalt LARRABEE, and disparage BILLINGHURST. We hear that they have succeeded in convincing one man that the Judge is a second WEBSTER in "intellect and oratory," and that is CHAS. H. LARRABEE.

The *News'* correspondent, by the way, says: "I was not present at either of the speech makings." This shows what his opinion is worth.—Our correspondent was present at both the "speech makings."

The Result in Iowa.

The Dubuque *Times* of the 21st, says that the entire Republican State Ticket is elected in Iowa by five thousand majority, and that the two Republican candidates for Congress, VANDEVER and CURTIS, are chosen by from two to three thousand majority. Well done, Iowa!

The Dred Scott Decision Reversed.

The Administration and Judge DOUGLAS make common cause in defence of the Dred Scott decision.

The latter, in taking ground for it in his Chicago speech, "appealed from the Republican leaders to the People."

This appeal to "popular sovereignty" has been heard in the following States, and a decree of reversal entered:

OHIO
IOWA
MAINE
KANSAS
INDIANA
VERMONT
MINNESOTA
CONNECTICUT
PENNSYLVANIA

All these Free States have decided that Slavery shall not, with their consent, be established in all the free Territories of the Union, as Judge TANEY, BUCHANAN and DOUGLAS have decreed.

In *ten* days WISCONSIN is to vote on this question. Will she side with the other Free States of the Union, in repudiating the Dred Scott decision, and BUCHANAN Sham Democracy, or will she strike her Free colors and surrender to the Pro-Slavery propagandists?

A Stupid Device.

The Administration at Washington is endeavoring to make it appear that Pennsylvania's tariff whim caused the recent overthrow of the friends of Mr. BUCHANAN in that State. The *Press* disposes of this clumsy story thus:

> "The question of protection has deeply interested our people, and there is an earnest feeling on the subject; but how did that of itself defeat the Administration candidates? They were vociferous throughout the whole canvass in their expressions of devotion to the doctrine of protection, and boldly claimed that they were the best tariff candidates before the people—that they could and would obtain more desirable legislation for Pennsylvania interests than their opponents. Nay, more; a leading argument urged against the People's Party was based on the false assertion that their nominee, Mr. READ, had signed a letter commending GEORGE M. DALLAS for his vote in favor of the tariff of 1846. *So far as professions could go, there never were a set of men more thoroughly committed to the doctrine of protection than the Administration candidates.*"

This Tariff "dodge" did not avail the candidates of the Sham Democracy in Pennsylvania.—The People of the Keystone had been cheated once too often by this device. But it is significant of the tricks of Democratic Office seekers.—In Pennsylvania, they profess to be Tariff men. In Maine, they declared for the Fishing bounties. In Wisconsin, they claim to be in favor of Harbor and River Appropriations. But at Washington they are *against* all these measures, and blindly support an Administration which is anti-Tariff, anti-Fishing bounties, anti-River and-Harbor Improvements, anti-everything, in short, but the predominant interests of Slavery.

A Lame Excuse.

The *News* accounts for its "expressive silence," in reference to the Democratic County ticket, in this luminous fashion:

> Now it will very readily occur to those who have read the three republican organs published in this city, that the *News* has no very strong provocation to puff a democratic ticket which is not assailed by either of those organs.

That is a funny reason, truly. Because the Opposition papers take no exception to the Democratic ticket, the *News* excuses itself from the duty of supporting, or saying a good word for it. The nominees on that ticket must feel flattered at the "warm and cordial support" they are receiving from the regular party organs.

Minnesota Republican.

The St. Paul Daily *Times* of Thursday last, October 21st., gives full returns of the late election for Members of the Legislature in the young State of Minnesota. One district is still in dispute, but the *Times* claims it for the Republicans. According to the *Times* the result is as follows:

	Senate.	House.
Democrats	20	37
Republicans	17	43

On joint ballot, Republicans 60, Democrats 57. Republican majority 3.

It is possible Covel is elected to the Senate, in which event the Republicans will have a majority of one on joint ballot, which would enable them, should the Legislature be convened to elect a United States Senator. All hail the young Republican State.

DON'T ACKNOWLEDGE THEM.—The Washington *Union* claims but two Democratic members elected to Congress in Pennsylvania—FLORENCE and DIMMICK. It repudiates the Anti-Lecompton democrats.

Before the elections for the next Congress are over, we fancy that the *Union* and Mr. BUCHANAN will be glad to take up with any kind of "democrats."

WALWORTH COUNTY ASSEMBLYMEN.—The Republican candidates for the Assembly, in the four districts of Walworth County, are DANIEL HOOPER, E P. CONRICK, NEWTON S. MURPHY, and REUBEN ROCKWELL—all good men and true.—We hope that *every* REPUBLICAN, in the staunch old County of Walworth, will be at the polls on the 2nd of November to vote and work for the good cause.

MANITOWOC COUNTY.—The following are the Republican nominations in Manitowoc county:

For Senate, XIX District—A. W. Preston.
For Assembly, 1st District—Wm. Aldrich.
For Assembly, IId District—Wm. Danforth.
For Sheriff—J. W. Thomas.
Register of Deeds—Henry Bates.
Treasurer—G. Kremers.
Clerk of the Board—F. Miks.
District Attorney—J. D. Markham.
County Surveyor—E. Stratton.
Coroner—J. Halverson.

MARQUETTE COUNTY NOMINATIONS.—The Republicans of Marquette county have put in nomination the following county ticket:

For Sheriff—A. P. Lipe.
For Register—J. Edson, Jr.
For Treasurer—W. K. Smith.
For Clerk of Court—H. E. Taylor.
For Clerk of Board of Supervisors—Augustus Caldwell.
For Dist Atty.—R. Towsley.
For Coroner—Alex. Gray.

GREEN LAKE COUNTY.—The Republicans of Green Lake County have nominated the following ticket:

For Sheriff—Alfred Brown.
For Register of Deeds—G. D. Elwood.
For Treasurer—C. M. Phelps.
For District Attorney—A. B. Hamilton.
For Clerk of the Court—I. H. Comstock.
For Clerk of the Board of Supervisors—Chase L. Sargent.
For Surveyor—H. Meriton.
For Coroner—E. R. Hoyt.

The Berlin *Courant* talks of giving this ticket 1,000 majority.

NOMINATION OF JOHN P. DICKSON, ESQ, FOR THE ASSEMBLY.—The nomination of this gentleman, last evening, by a mass convention of the republicans of this city, was a fitting tribute of respect from our citizens to an old resident and an honest and intelligent man. He will make a safe legislator, one in whom we can entrust our interests in the Legislature. The republicans of this city will rally to his support to a man, and will without any doubt triumphantly elect him, no matter who the Democracy may nominate.—*Janesville Gazette.*

We congratulate the Republicans of Janesville upon this admirable selection and the People of the State upon the prospect of being served by men of such a stamp as JOHN P. DICKSON.

AN INTERESTING EXPERIMENT.—The Washington *States* says: "Mr Glancy Jones appeared to be so confident of re election that he actually said, in this city, *he was going to run only to show* Mr. Buchanan *how easy it was to be elected as an Administration Democrat.*" The result of this interesting experiment is told by the official returns.

YELLOW FEVER VICTIMS.—The New Orleans *Picayune* says that the total mortality in that city of yellow fever since its appearance in June, to Oct. 9th, is 3,875. This is within one hundred of the mortality in Boston from all causes, during the year 1857.

Billinghurst in Waushara.

WAUSHARA, Oct. 21st, 1858.

Messrs. Editors:—Thinking that you would like to hear from old Waushara, I take the liberty to pen you a few lines.

On the 6th of this month, Hon. CHARLES BILLINGHURST addressed the voters of this county, on the political issues of the day. He was heard with much attention and his position fully endorsed by a large majority of the voters present. The grand jury which was in session, passed a resolution pledging Waushara for one thousand majority, and the voters have promised to redeem the pledge.

Yesterday, 20th, Judge LARRABEE tried to address the voters of the County, and set forth his views in such a manner that the people would endorse him, but after paddling around for some two hours in the muddy matter, trying to convince one portion of his hearers that he endorsed the Dred Scott decision and the others that he was opposed to it, he gave up the attempt. Having succeeded in convincing his hearers that he stood in the position of BALAAM, of old, astride of an ass, which could neither go ahead, nor turn around to go back, and that in his attempts to drive him on to the sword of public opinion, he had got his foot crushed against the wall.

On the heel of LARRABEE'S address, a Mass Meeting was held, to nominate County officers, by Democrats and a few unterrified Republican office seekers. But, like LARRABEE'S address, it was conceived in weakness, and after being in labor four-and-twenty hours, it brought forth a child weighing about one pound, which was named People's Ticket.

If the rest of the District will give BILLINGHURST as large a majority in proportion to the number of voters, LARRABEE will be *Dunn Brown,* and sent begging again for his appointment as Judge.

The following are the nominations of the Republican Convention for this County:

For Assembly—Chas. White.
For Register—S. R. Clark.
For Clerk of Court—G. H. Gile.
For Sheriff—Walter W. Beach.
For Clerk of Board—Aug. P. Noyes.
For Treasurer—John A. Williams.
For District Attorney—Levi L. Soule.
For Surveyor—P. M. Green.
For Coroner—Daniel H. Pulcifer.

Correspondence of the Sentinel.

Larrabee at Waupacca.

WAUPACCA, Oct. 20, 1858.

MESSRS. EDITORS:—Judge LARRABEE, candidate for Congress in this District, addressed the citizens of this village on Tuesday, Oct. 19th.—He occupied about two hours in abusing Republicanism and BILLINGHURST, and praising himself for honesty and integrity. He spoke of the wrongs of the red man, who, he said, altho' driven from their homes by the ruthless march of civilization, found no sympathising friends among the whites, as did the negro. The Judge has yet to learn, probably, that there are Missionaries in the United States who are spending thousands, annually, to civilize the American Indians, and thereby bring them to an equality with the Whites. That Indians, by naturalization, may become voters; that they already have "rights which white men are bound to respect." I pass over his frothy remarks and come to the object of this communication.

On the 11th day of February, 1853, the County of Waupacca was organized for Judicial purposes, and attached to the Third (LARRABEE'S) Judicial Circuit, and two terms of Court were ordered to be held therein, to wit:—On the third Monday of March and the third Monday of August, of each year—(see General Statutes, 1853, page 697.)

Judge LARRABEE never held a term of Court in this County, although he should have held three,—the third Mondays of March and August, '53, and the third Monday of March, '54,—after which time Judge COLE (in the spring of '54) was elected.

For thus neglecting his duties, at a great cost to this County—summoning Grand and Petit Jurors, and their attendance at the County Seat,—for Court there was none, saying nothing about the rights of parties claiming the judgment of the Court—saying nothing about the lawless manner in which men were permitted to act, in the absence of the enforcement of the laws of the land—the Judge thus excuses himself:—

He says he could not hold the Spring terms of '53 and '54, because the Marquette Term was ordered to be held on the same days, and as that was an older County than Waupacca, with a greater amount of business to be done, he thought he could do no other way than let the terms in this county go by. He exclaimed, "I hold in my hand the statute," but instead of reading from that statute he gave us the above statement. And now let us see what the statutes do say. See General Statutes, 1853, page 7, which says, that a term of the Circuit Court shall be held on the 3d Monday of March, of each year, in the County of Waupacca. Also see General Statutes, '53, Chap. 10, Page 11. That a term of the Circuit Court shall be held in the County of Marquette on the first Monday of May, in each year.

Did the third Monday of March and the first Monday of May come on the same day in the years 1853-4. Judge LARRABEE said they did in his speech at this place—that is to say, he said that the Courts in these two Counties were appointed for the same day. Shall we believe the Judge, or the Statutes.

Again, he says that he did not hold the fall term, because he was at the time holding a regular term of Court in Sauk county; and in Sauk county the statutes (page 1158) fixes the fall term of Court on the third Monday in September, and that of Waupacca county on the third Monday of August, one month earlier than that of Sauk county.

Why the Judge should attempt to cover up his negligence by such statements it is impossible to conceive. Did he suppose we had not received the Laws of '53 in these hyperborian regions, or did he think the school-master was still south, and that Waupacca county did not possess sufficient intelligence to find the truth.

He made all the statements above alluded to, gratis. The crowd did not question him on this point, and it is to be supposed that he felt conscious of dereliction in duty. But suppose that it was impossible to hold his Court here, why did not the Judge so inform the clerk, and not let the county go to the expense of summoning Jurors? A line from him would have been sufficient.—No, he disregarded us, and it is reasonable to be supposed that he would do the same if elected to Congress. Waupacca County will express her indignation at the polls, on the second of November, by giving BILLINGHURST 800 majority.

TRUTH.

From the Detroit Free Press.

The Other Side of the Story.

HOW TO MAKE THE BEST OF IT.—A good specimen of how to make the best of it is given in the efforts of the Chicago papers to palliate the defeat of their rowing club at the late match on Detroit River, and cause it to appear that the elements were alone to blame. A correspondent of the *Journal* of that city writes an account containing the most ridiculous assertions we ever saw in print, purporting to be the truth. He assumes that the Toronto boat led only by a length or two, crowding the Chicago boat ashore, and causing her to run foul of the vessel near the Water Works dock. Proceeding on, the former turned the stake boat "several lengths ahead," and came back closely followed by the latter, which, when near the close of the race, half full of water, laid down to its work, and had narrowed the gap to within about a length, when she began to settle, and finally sunk.

We like to see a thing set out strong, but that suits us too well. When it is well known that the Toronto boat was forty rods in advance when the Chicago boat for want of a steersman, ran into the vessel; that the former turned the stake boat a third of a mile in advance; when the Chicago boat sunk, the distance between the two boats was just *three thousand six hundred feet,* by measurement, or nearly three-quarters of a mile, it will be allowed that the Detroit correspondent of the *Journal* has attained the ultima tum of how to make the best of it. The feeling was in favor of the Chicago club, among our citizens, and the disappointment was as great in this city as it could have been in Chicago, but everybody awarded the Toronto rowers the merit of superiority, both in proficiency of action, and judgment in providing against emergencies.

The Mask Off.

Ryan, of the *Appleton Crescent,* thus endorses Larrabee as an "unflinching supporter" of the Buchanan Administration:

> "Judge Larrabee is a *true* and *unflinching* Democrat, and will be found one of the most *inflexible supporters of the Democratic party* and the *Democratic Administration* in the next Congress."

This should be enough to settle the mind of every elector who voted for the gallant Fremont in 1856. Why did he cast his vote for that outspoken and heroic champion of free principles? Because he was alarmed at the persistent despotism of the Pierce Administration, under the leadership of Douglas, Pierce & Co. Compromises had been trampled upon, the free men of Kansas had been insulted, imprisoned and murdered, and slavery was made the pet of the government. It was this that aroused the North, and compelled the sham and black Democracy to retire before the well directed and united charge of the Republican hosts.

But has the Democratic party changed since that time? Is not the policy of Buchanan even more despotic than Frank Pierce's was? Has he not gone further with the South, and advanced doctrines which are more pro-Slavery than even John C. Calhoun ever advocated?—These things being so, is it not self-evident, that the democratic party of 1858 should be opposed with even more determination and enthusiasm, by every consistent Republican, than it was in 1856? It is the same pro-Slavery party that means to give the government into the hands of the slave-oligarchy.

And who is Judge Larrabee? To what party does he belong? "He is an unflinching democrat, and will be found one of the most inflexible supporters of the Buchanan Administration."—So says one of his organs. He then belongs to the party that repealed the Missouri Compromise, that defends the "fugitive slave law and is from *principle* opposed to its repeal,—that supported, in Congress and out of it, Pierce's outrageous ruffian measures against Kansas; that supports the Dred Scott decision—and that *has* been and is now ready to go with Southern nullifiers and fire-eaters in all their insolent demands.

This is the party to which Larrabee belongs. And this the party which is to receive from him the most inflexible support in the "next Congress." Are the electors of this district ready to abandon their Republicanism of '56, and in '58 vote for the nominee of such a party?—Let not the artful pettifogger deceive you with any of his anti-Lecompton talk. Remember he is a "democrat," and unflinching in his support of the party. He voted for Pierce, whose administration you loathed and hated for its cruelty and despotism. And he would have voted for him, if he had received a second nomination. He voted for Buchanan, and will vote for him again, if nominated in '60, notwithstanding all his Lecompton wickedness. In short, if you are a Republican, you could not make worse choice than to vote for this same Judge Larrabee.

You have a candidate whose integrity you have tried. Charles Billinghurst has been true to all the principles which you professed in '56. Will you remain true to him in his conflict with the same pro-Slavery party, and the same anti-Republican principles in 1858?—*Dodge County Citizen.*

The Defeat of John Glancy Jones.

Sensation at Reading—The Result in Berks County—Great Excitement.

READING, Oct. 16—9½ A. M.

The official meeting of the return judges yesterday, at 1 P. M., came near being attended with consequences such as good men of both parties here would have deplored. When met, as is customary, in the Hall of the Court House, the public present, and, after the organization of the body, Mr. Sheak, of Hamburg, after the returns of other townships and wards had been read, objected to the reception of those from the South-West Ward of this city. Some slight excitement among the judges and spectators was occasioned, and another motion, while the motion to exclude was pending, was offered, also by Mr. Sheak, that the Judges and Secretaries return to the Grand Jury room to attend to the business upon which they were met. This motion was carried, including the reporters of the press.

In perfect quiet the outsiders saw them retire to the room designed; but when a few moments after, the Judges upon a motion of the same Mr. Sheak, voted to exclude the reporters of the press; and when Colonel Knelber, of the *Journal*, and other gentlemen of the press came out in a body, and when it became known that they were excluded also, and by vote of the Judges, the motion to exclude returns yet pending, it created the greatest excitement among the thousands in waiting. A well known and influential citizen was deputed to wait on the Judges to inform them that unless something was done in the way of quieting the excitement outside by a knowledge of the disposition of the South-West Ward's returns, that the Court House bell would certainly be rung as a signal for gathering the people; and that a dreadful excitement, the consequence of which the most influential could not control, would result. This excitement was occasioned because the motion pending when the public was excluded, was on all hands regarded as transcending the limits of prerogative on the part of the Judges.

This Ward had a majority for Mr. Schwartz, and Mr. Sheak and most of the Judges were understood to be the friends of Mr. Jones. A few moments after, the citizen who entered the room of the return Judges, came out and announced that the Judges had not yet gone behind the returns; that they had voted to receive them, and that Mr. Schwartz's majority was officially announced to be nineteen over Mr. Jones.

Then wild cheers and almost frantic rejoicing were heard and seen on all hands.

The firing of cannon began, and was continued until dark, at which time bands of music and large processions defiled into the Square lighted with vast bonfires. The already excited thousands cheered loudly before, but when the announcement was made that Schuylkill county was then firing 100 guns for Old Berks—the news having been sent by telegraph to Colonel Lantz—the vast assembly fairly shook the Square with their cheers. Thus passed the evening, and not until after 10 o'clock did the bonfires cease to blaze or the multitudes disperse.

The walls of the oldest houses were never witness of greater excitement than on last evening and the night of yesterday. Amidst all, it is gratifying to know that good feeling prevailed, and the amenities of life were preserved between victors and vanquished. B.

Interesting from Syria.

A correspondent of the Boston *Traveller*, writing from Syria, gives an account of a serious disturbance in Damascus, arising out of an intrigue between the queen of the harem of one of the richest men of Damascus and an infidel, who was a Jew, and the dragoman to a foreign consulate. The young man was frequently introduced into the harem, in woman's clothes, but was finally discovered. He made his escape, and the lady fled to the desert, but was discovered, and cruelly murdered, her body being literally chopped in pieces and given to the dogs. The correspondent continues:

"The Pasha of Damascus requested all the consuls to meet him and consult as to the best course to be pursued to allay the excitement, for the Mohamedans had arisen, and the massacre of the entire Christian population was threatened, and hourly expected. They refused to meet him, alleging that the quarrel was between the Pasha and the offending consulate. The people demanded the head of the dragoman, but he was nowhere to be found, and it was feared that the 15,000 Christians residing in Damascus would be indiscriminately slaughtered.

"In this moment of peril, when their lives were in their hands, timely but unexpected assistance was rendered. The defiles of the mountains were darkened by the descent of the maronites, who by thousands poured into the streets of the city, espousing the side of the Christians, and by their number and strength intimidating the angry and fanatical Turks. Thus are the Christians preserved and thus are the Moslems held in check. But the fire is still burning in their hearts, and will doubtless burst forth when a favorable opportunity occurs. This unfortunate misalliance is deeply to be regretted, not only on account of its immorality, but upon the ground that the Moslems are everywhere red hot with fanaticism, and are ready to use any infraction of their laws by the Christians as a pretext for indulging in their fiendish passions. It has been with much regret, therefore, I say, that I have seen Frank sailors wandering about the streets of Mohamedan cities intoxicated and insulting every one they meet. Great care is necessary at this time, especially in the absence of any American man-of-war, lest the people should rise and sweep us out of existence. A rumor reached this place a few weeks since, that a plot had been discovered at Beyrout, where the Moslems had armed themselves and appointed the night in which they intended to kill all the Christians. Fortunately this was discovered in time to prevent it by an appeal to the Government."

TO THE PUBLIC.

In answer to the numerous letters addressed to me on the subject of the Mustang Liniment, I would say that I have had no connection with that article for several years. It was invented by me, and while out up under my control and supervision, was universally accepted by the public, as the best liniment in the world. In 1854 I sold out my interest in it to other parties, and since that time it has passed through the hands of several persons, most of whom have been so unscrupulous as to manufacture it of inferior and cheaper articles, and thus to entirely destroy its value as a medical remedy, trusting for success in selling to its former highly established reputation. Its present proprietors have gone so far as to substitute other articles in its composition for those in the original prescription, so that the Mustang Liniment now vended possesses no one of the distinguishing characteristics of the genuine article, as it was originally invented and manufactured by me. These parties, to enable themselves with more facility to foist their worthless and injurious article on the public, use *my name* as its sponser, calling it "BRAGG's" Mustang Liniment, and cautioning the public to beware of any other Bragg's Liniment as an imposition. This is done with a view of exciting a prejudice against "BRAGG'S ARCTIC LINIMENT," an article more recently invented by me, and possessing all the virtue of the original Mustang, with some improvements—the result of experience and later discoveries—and manufactured by Bragg & Burrowes, which firm is composed of my son, Oliver T. Bragg, and Michael Burrowes. This article is superior in many respects to the Mustang, when it was put up pure and in good faith, and is immeasurably superior to the article now vended as the Mustang Liniment. It is also the only liniment manufactured to which my name is appended by my authority or consent. In conclusion, I cannot hold myself responsible for any of the evil results of using the Mustang Liniment now vended, and especially after this public disclaimer of any connection with its proprietorship or manufacture.
Respectfully, A. M. BRAGG, M. D.

R. R. R.

On the 1st day of September, 1853, Mr. Charles Randolph called at the R. R. R. office, and stated that for ten years he had not enjoyed a single meal. He had not, for five years, had a natural discharge from his bowels; but was obliged to resort to injections, &c. He was pale, haggard and thin. We ordered Radway's Regulator, one each night, and Radway's Resolvent three times per day. On the eighth of September he called upon us. He was so altered that we knew him not.

His appetite is good—his digestion easy—his skin moist and healthy—his step elastic and buoyant—his body vigorous, and his eye indicates a man of health and energy.

For Liver Complaint, Dyspepsia, Difficulties of the Urethra and Bladder, Radway's Regulator and Renovating Resolvent are a quick and a positive cure. For all Aches and Pains, for Neuralgia and Rheumatism, for Nervous and Billious Complaints, Radway's Ready Relief is quick and effectual. In five minutes' time after its application, the patient is free from pain.

R. R. R. is sold by C. HARRINGTON, BOSWORTH & SON, L. P. LAKE, and J. H. TESCH, Milwaukee, and by Druggists everywhere. oct11daw2w

G. SIMMONDS,
SOLE PROPRIETOR AND MANUFACTURER OF
PURE OHIO
Catawba Brandy.

THIS Brandy has been manufactured for several years from the pure juice of the Catawba Grape, thus affording additional evidence, of the progress of American enterprise and industry, and of our ability to produce articles at home, equal to those made by any other nation.

The Ohio Catawba Brandy, not only equals but excels the best Imported Brandies, in purity and flavor. It is in fact the best Brandy known. This statement is fully corroborated by the certificates of our most distinguished analytical chemists.

The want of pure brandy has long been felt in this country, and the introduction of an article of such quality as to supersede the sale and use of those vile compounds hitherto sold under the name of Brandy, can only be regarded a great public good. The Catawba Brandy possesses all the good qualities claimed for the best imported liquors, and is of perfect purity and superior flavor, and a sovereign and sure remedy for

Dyspepsia, Flatulency, Cramp, Colic, Languor, Low Spirits, General Debility, &c.

NO FAMILY SHOULD BE WITHOUT IT.
RETAIL PRICE $1,25 PER BOTTLE.

PUBLIC PRINTING.

SEALED PROPOSALS will be received at the office of the Secretary of State, in Madison, up to the 27th day of October next, at 2 o'clock in the afternoon, for doing for the State of Wisconsin, at the seat of government, all Printing and Binding of every kind and description, for which the State may be liable to pay, contemplated in chapter 114 of the general laws of 1858, entitled "An Act relating to Printing, approved May 17th, 1858." Such printing to be provided for in one contract, to continue for two or four years from the first day of January next, as the Board of Commissioners may direct at any time before such contract is entered into, and to be divided into three classes, as follows:

1st. To comprise all printing incident to the business of the two Houses of the Legislature while in session.

2d. To comprise the journals and documents of the two Houses, and all general and local laws passed by the Legislature.

3d. The printing of the several State Departments, including all blanks, blank books used in the several branches thereof of all kinds and descriptions whatsoever; to include such blanks as have heretofore been lithographed or engraved, used in the several departments.

No bid will be considered unless accompanied by a guarantee of twenty thousand dollars, that the bidder, if successful, will execute to the State a bond as contemplated in said act. Specifications as to what shall constitute a printing bid, will be subject to examination at the office of the Secretary of State on and after Tuesday the 5th day of October next. Such specifications, together with the proposal of the successful bidder, to be attached to and form a portion of the contract at the time of consummating the same.

A basis has been adopted by the Commissioners subject at all times to the inspection of bidders, to be in readiness at the hour of opening the bids, upon which basis each of the bids will be computed, but said basis will form no part of the contract, and will in no manner be binding upon the State as to the quantity of the work required.

Bidders are required to furnish specimens of each class of all classes of work bid for. Such specimens as are deposited by the successful bidder shall be kept by the Secretary of State, as a standard criterion for all work provided for in such contract, and shall be the guide for auditing all accounts under the same. Should any work prove inferior to such specimens, in the opinion of the Secretary of the State, or other officer duly authorized to canvass the same, such work will be refused.

The successful bidder will be required to execute under the terms of his contract, all printing and binding for the State, which the present contractor is not bound to execute, or which he claims not to be under the provisions of his contract from the execution of such contract to the first of January next.

The contract may be annulled for unreasonable delay in doing the work, or for doing it in an inferior or improper manner. The contract for such printing to be made and executed under and subject to the provisions of chapter 114 of the general laws of 1858, above referred to, to the details of which, as well as the specifications and requirements as to bids, above referred to, the attention of bidders is particularly called.

In making out the basis herein referred to the Commissioners have expended all the time necessary to fully examine the last year's work and have made it as nearly in accordance with law as possible. They are therefore determined to give the contract under this bidding to the lowest and best bidder as computed under and by this basis.

Proposals must be sealed and marked on the outside "Proposals for Printing, and be sent through the post office, directed to the "Secretary of State, Madison, Wis."

Given under our hands, at the Capitol, in Madison this 25th day of September, A. D. 1858.
ALEX. W. RANDALL, Gov. of Wis.
D. W. JONES, Secretary of State.
SAMUEL D. HASTINGS, State Treasurer.

BOERHAVE'S
HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburns, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit and infusing new health and vigor in the system.

READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters, is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle. The great demand for this truly wonderful Medicine has induced many imitations, which the public should guard against purchasing.

Beware of Imposition! See that our name is on the label of every bottle before you buy.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS,

IS one of the best purgative and Liver medicines now before the public, that acts as a *Cathartic*, easier, milder and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver* remedy acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease, effecting a radical cure.

BILIOUS ATTACKS are cured, AND WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHEA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it never fails.

A few bottles cures DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL FEVER, and all FEVERS of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

ALL WHO USE IT ARE GIVING THEIR UNANIMOUS TESTIMONY IN ITS FAVOR.

MIX WATER IN THE MOUTH WITH THE INVIGORATOR, AND SWALLOW BOTH TOGETHER.

THE LIVER INVIGORATOR

IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.

PRICE ONE DOLLAR PER BOTTLE.

A Card. James Dr. from M. Jarrett,

OF THE NEW YORK LUNG INFIRMARY.—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years' course of steady devotion to the cure of Pulmonary Consumption and its kindred diseases, together with my unrivaled opportunities and advantage of pathological research—aided not a little by a perfect system of *Medical Inhalation*—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive cure of all diseases of the *Throat, Lungs*, and *Air-Passages*. By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of *general treatment*; and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both *general* and *local* treatment. The success of my treatment, in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, after due consideration, I have concluded to make such arrangements as will bring benefits of my experience and treatment within reach of all, and not to confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethren and the public, I would respectfully announce in conclusion, that *I can now be consulted personally or by letter*, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case. *Inhaling Vapors, Medical Inhalers, &c.*, &c., will be forwarded to any part of the United States or the Canadas. TERMS—My terms for treatment by letter are as follows, viz: $12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows: $6 to be paid to Express Agent on receipt of the box of Medicine, and the balance $6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address JAMES M. JARRETT, M. D.,
No. 320 Broadway, cor. Twelfth st., N. Y.

P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our *improved apparatus* for the inhalation of medicated vapor can be seen and inspected. sep3h146d6mo

Dr. BARNES takes pleasure in announcing to the citizens of Milwaukee and other places, that his office is at No. 12 Wisconsin street.

READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness, and in many cases, their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to.

YEARS OF PRACTICE, exclusively devoted to the treatment and study of Syphilis, Gonorrhoea, Gleet, Strictures, effects of solitary habits, ulcers upon the body, throat, nose or legs, pain the head or bones, and all Mercurial Affections, and all impurities of the Blood whereby the constitution has become enfeebled, enables the Doctor to offer relief to all who may place themselves under his care.

Dr. B. makes no charges for short consultations. Those requiring much advice should enclose a small fee sufficient to compensate for the time required to write the answer.

WEEKLY REVIEW OF MILWAUKEE MARKETS.

OFFICE OF THE DAILY SENTINEL,
Saturday Evening, Oct. 23, 1858.

Since the date of our last weekly review the produce markets here, and elsewhere, have been extremely inactive, and in this market wheat has undergone a decline of 5a8c, exhibiting a drooping tendency at the close of the week. The range for extra spring wheat, at present, is 75a80c, and for No. 1 65a70c, while common grades are quite unsaleable. Occasionally a choice sample of milling wheat will bring 2a3c more than our outside figures, there being a fair demand for extra grades to supply home consumption. With large receipts, however, prices of extra spring would not be maintained at the present figures. The week's receipts are very light for the season, and indicates unmistakably the fact that producers are holding over what they can in anticipation of better prices in the spring. Whether their expectations will be realized or not time alone can determine. There is no denying the fact, however, that there are good reasons to expect an improvement. Still it should be borne in mind that the same expectations were entertained by thousands last year—but not realized.

The flour market has been extremely dull during the week—in fact, there have been scarcely enough transactions to establish prices reliably. We note a decline, however, in the offers of buyers of 25a37c on spring wheat flour. It would be difficult to realize more than $4,25 for the best country brands at present, and city brands are entirely nominal.

Freights have not advanced, though vessel owners are looking for improved rates as the season advances. There have been but very few vessels chartered during the week, and these were mostly at former rates, or on private terms.

We note an improved demand for oats, and a slight advance in prices. Good samples of new oats find ready sale at 40c, the range being 38a40c, while there is a fair demand for old crop at 42a45c for good to choice.

The excitement in the eastern barley market has quite ceased, and prices here have settled back nearly to their former standing. We have heard of no sales during the week at prices outside of 65c, the range being 55a70c for common to choice.

Corn is even lower than last week, the crop throughout nearly the whole country having turned out unexpectedly good. There is only a local demand here at present, and good shelled lots are quoted at 50a52c.

Rye is also lower, the ruling figures during the past week being 50a55c per bus.

An improved demand has created a slight advance in grass seed.

Potatoes have come in more freely during the week, and retail dealers have experienced no difficulty in supplying themselves at 30a35c, according to quality. An occasional very choice lot of neschanicks, or pink-eyes, went as high as 37½c, but the tendency at the close of the week seems to be downward.

Very nice firkin butter sells more readily at prices ranging from 13 to 15c, and there is a good demand for choice fresh roll at 16a18c. Some good lots sold during the week, however, at 15c.

Eggs are getting scarce, and are 2a3c higher by the barrel.

Hides remain unchanged.

Dressed hogs begin to come forward in limited numbers, and are bought by butchers to supply home trade at $4,74a$5. Packers have not commenced purchasing yet.

Our advices from abroad during the week indicate a continued depression in the foreign markets, and a downward tendency in prices of breadstuffs. To this more particularly may be attributed the present unsettled state of the markets on this side of the Atlantic.

As will be seen by reference to another column, the members of our Corn Exchange have re-organized under the name of the Chamber of Commerce of the city of Milwaukee. Our principal mercantile and commercial men have become members of the association, the objects of which we have already set forth. One of the first actions of this body was to establish standard grades of wheat, of which we have previously spoken. Country dealers would do well to provide themselves with samples of the new grades.

General business continues brisk for the season, and receipts of merchandise, as well as shipments to the interior will compare favorably with those of last year for the corresponding period. Our shipments of grain for the week are light.

Bull's Head Cattle Market.

THE LUMBER TRADE.

The lumber trade continues quiet, and, though fair, cannot be called *good*. Lumber is one of the first articles of trade to feel the effect of any rise or fall in produce. And it is to the fall in prices of wheat, together with the unfavorable weather for the last two weeks, to which the decrease in the demand is attributable.—Prices from the yards are firm, however, as it is well understood that the supply on hand is considerably short of last year.

Among the sales of cargoes we note:

Schooner Stella, Two Rivers..........$6,00
" J. Patton, Oconto............ 7,00
Bark White Cloud, Green Bay.......... 6,50

Messrs. Houghton, Brown & Co., lumber dealers, corner of Third and Tamarack sts., furnish us with the following list of retail prices:

MONEY MARKET.

Banking and Exchange Office of Bridge Brothers, }
No. 166 East Water St., Mil., Oct. 23, '58. }

There has been but little desire exhibited to make transactions during the week just closed. The depressed feeling which has prevaded the grain market, has given a blue tinge to other interests. We are not without hope, however, that a short time will bring forward an improved state of things, and we look with confidence to the future.

Money is accumulating in banks and in private hands and though a great closeness prevails, and must continue for awhile, we see no reason why the tendency of affairs is not for good, and the eventual re-establishing of prosperity among all classes of our business men.

We note with pleasure the renewed organization of the "Chamber of Commerce." It is an institution which, if directed in the proper spirit, may be made productive of the greatest benefit. The names of its officers afford a full guaranty that its objects will be carried out.

At the East a plethora of capital is still observable, though we note a falling off of amounts in bank. Considerable sums are promising to come westward for investment, and in due season we shall see an equalization of financial matters that will greatly relieve this section of the country, from the burden it is now carrying.

AYER'S CATHARTIC PILLS.

THE following remedies are offered to the public as the best, most perfect, which medical science can afford. Ayer's Cathartic Pills have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and power to uproot disease beyond anything which men have known before. By removing the obstructions of the internal organs and stimulating them into a healthy action, they renovate the fountains of life and vigor—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these Pills and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him, and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these Pills to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose knawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise, or mental anguish, or some lurking disease has deranged the internal organs of digestion, assimilation, or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principle into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood.—Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts forth from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvel of this age? And yet they are done around you every day.

MORE TO BE ADMIRED THAN THE RICHEST DIADEM EVER Worn by Kings or Emperors.

WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament *God Himself* provided for all our race. Reader, although the rose may bloom ever so brightly on the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh* and *dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

Dr. Wood:— New York, April 19th, 1858.

Dear Sir: Permit me to express to you the obligation I am under for the entire restoration of my hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative, it soon recovered its former hue. I consider your Hair Restorative as a very wonderful invention—quite efficacious as well as agreeable. I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwyliedydd."
Welsh Newspaper Office, }
118 Nassau st., April 12, 1858. }

Prof. O. J. Wood—*Dear Sir:* Some month or six weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her, as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hair back to brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change in their hair.
CHARLES CARDEW.

New York, July 25, 1857.

Prof. O. J. Wood: With confidence do I recommend your Hair Restorative, as being a most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It has also relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely
J. G. KILBY.

Prof. Wood—About two years ago my hair commenced falling off and turning gray; I was fast becoming bald: and had tried many Remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grew out, and turned back to its former color, black. At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all. J. D. HOES.
Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

"Magna est Veritas et prevalebit."

THE *wonderful discoveries brought to light by the celebrated Dr. Radway & Co., the eminent Chemists of New York, within the past quarter of a century, have contributed more to the ease, comfort, safety, health and longevity of the human race than all other medicinal agents in use.*

RADWAY'S READY RELIEF,

The first of these important and valuable discoveries startled the world with wonder and surprise at its rapid efficacy in curing the sick and stopping the most excruciating pains.

The next discovery was the Renovating Resolvent; *the only remedy in use that possesses the remarkable properties of eradicating from the system all constitutional maladies inherited by sickly children of diseased parents. These discoveries however, are but* Lesser Lights *to the* Last Grand Disc very *recently made, and which is calculated to revolutionize the the present practice of medicine and treatment of disease. The result of this great discovery is given to the world in the form of* Pills *elegantly coated with Gum to as not to offend the most delicate stomachs. They neither sicken nor gripe. Every dose that is taken imparts renewed strength and vigor to the sick and enfeebled body. They are called*

RADWAY'S REGULATING PILLS.

R. R. R.

RADWAY'S READY RELIEF.

1. One of the most remarkable properties which this all-powerful remedy possesses, is that of electricity. It truly electrifies the whole human system with its healthful influence. Its action upon the poisonous gases of malaria, whether it be the infecting effluvia of Yellow, Typhus, *Swamp*, Measles, Scarlet, or other Malignant Fevers, or *Fever Ague*, Billious Fever, Cholera, Diarrhoea, Dysentery, Flux; or whether the stomach becomes inflamed and irritated from the poisonous extracts of acid plants, tainted meats, unripe fruit, or green vegetables, a dose of Radway's Ready Relief will instantly neutralize the poisonous elements that may be in the stomach, allay the most violent inflammation and fortify the whole system against sickness or painful difficulties.

In all cases, therefore, of Cholera, Cholera Morbus, Flux, Fevers, &c., there is no remedy so safe and certain to take as Radway's Ready Relief. Its electrical powers will, the instant it is taken, *charge the system with health and vigor.*

2. As a COUNTER-IRRITANT, withdrawing the congested blood, which, in cases of Rheumatism, Lumbago, Gout, Neuralgia, Sciatica, inflicts so much pain upon the patients—it acts with the rapidity of lightning the instant the Relief is rubbed on the parts of the body where there is pain—it re-establishes an equalization of the circulation of the blood—congestion being withdrawn, inflammation is removed, and pain ceases.

3. As a Diffusive Stimulant.—In cases of Weakness, Languor, Debility, Depression of Spirits, Restlessness, Melancholy, Tremblings, Hysterics, &c., it diffuses its healthful tonic properties throughout the whole system. It revives and re-invigorates the aged, crippled, infirm, and nervous. It imparts new life and strength. Weak and feeble females, who, from continued suffering with *weakening discharges*, are wasting away, Radway's Ready Relief will restore to a sound and healthy condition.

4. ITS CLEANSING AND HEALING PROPERTIES are quickly proved in cases of *wounds*, gun shots or stings, bites of dogs, snakes, insects, &c. The moment Radway's Ready Relief is applied to the pained parts, it neutralizes the poison, arrests the spread of the inflammation, allays inflammation, and prevents mortification.

5. RADWAY'S REGULATING PILLS.

[From the N. Y. Medical Journal.]

THE GREAT GRAND DISCOVERY.

A Singular Power Recently Discovered and Combined with Radway's Regulating Pills.—The celebrated Dr. Radway has recently succeeded in obtaining a nutritious extract, so concentrated, that a dose of six pills will furnish the same amount of nutrition to the blood as is given to the blood by an ounce of ordinary bread. This nutritious extract he has succeeded in combining with Radway's Regulating Pills, so that while the system is undergoing a thorough physicing, cleaning, purifying and regulating process, the weak, enfeebled, debilitated and worn out organs receive a healthful nourishment.—This great discovery is invaluable. Heretofore, under the influence of the most innocent and best purgatives, Pills, etc., the patient grew weak and debilitated. In cases of Yellow Fever, Typus Fever, Scarlet Fever and other malignant fevers, Small Pox, Erysipelas, etc., the patient is unable to partake of sufficient nourishment to keep alive.

RADWAY'S REGULATING PILLS will entirely revolutionize the treatment of the sick afflicted with these maladies; for one or two of Radway's Regulating Pills will give to the wasting body sufficient nourishment as well as exterminate every particle of disease from the system. Another great power which these Pills possess is that of regulating the organs of the system in performing their duties. The Stomach, Kidneys, Liver, Skin, Bladder, Heart and Bowels, are each of them regular and exact in the performance of their several functions; so that those who take these Pills, however *Costive* they may be, will enjoy *the luxury* of a healthful discharge from their bowels every day, at a regular and exact hour.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,
FROM
THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimple on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach.

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Roxbury, Mass.

Dear Madam:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of the diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.

In the more advanced stages of

CANKER

it extends to the stomach, ensuing

DYSPEPSIA

which is nothing but canker on the stomach; then to the intestines and

KIDNEYS

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to

CURE;

Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also that most excruciating of diseases the

PILES.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the

MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,
DONALD KENNEDY.
